

U.S. FLAG PLANTING

MAY 14, 2022

SAINT JOHN CEMETERY

As we prepare for Memorial Day weekend, Springdale Post 9617, VFW, will sponsor U.S. flag planting at cemeteries around Stamford. We remember all veterans who have passed and who have protected our freedom and liberty. We honor them by planting U.S. flags next to their grave sites. Thank you to the City of Stamford for providing the flags.

- **Day and Time:** Saturday, May 14th, 8:00 am to 11:00 am. Finish time is approximate depending the number of volunteers. Arrive when you can and stay as long as you can.
